

# InfraBuild

*Building futures through sustainable steel*

# Residential Building Solutions

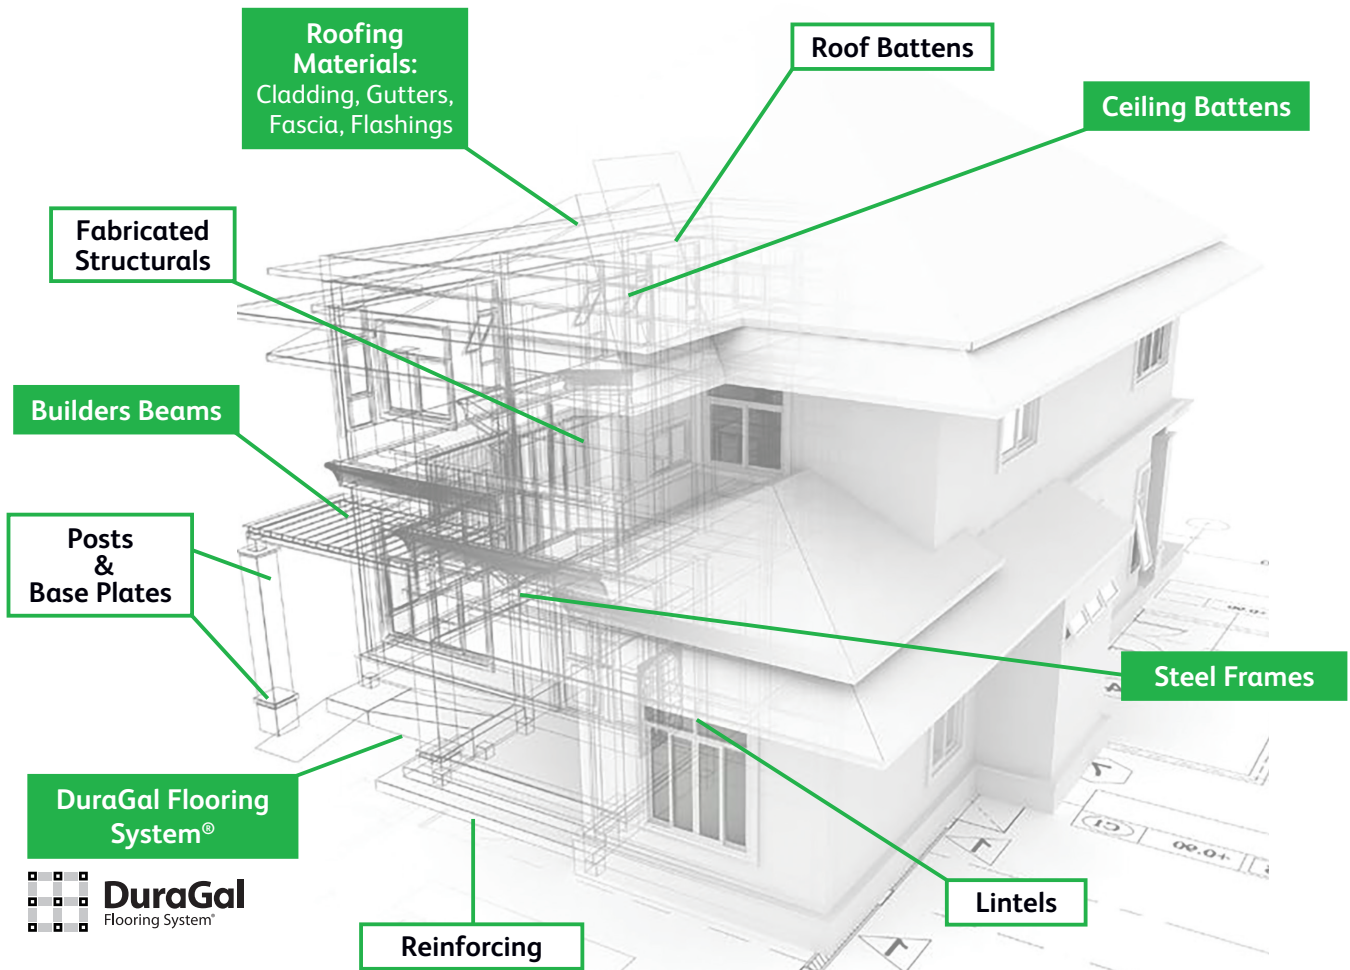

Your complete building solution  
from ground to roof

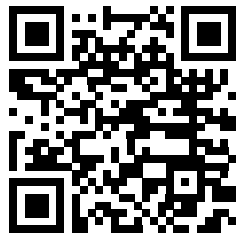

At InfraBuild Steel Centre our complete one-stop-shop saves you time and reduces complexity and risk on your next building project. We take your plans and provide a full-service solution: take offs, estimation, technical support, scheduling and delivery for all steel requirements. Our quality manufactured products give you confidence, because they meet relevant Australian Standards and Building Codes. Enquire with us today about how we can help you deliver your next building project on time and on budget.
