# Certificate of Approval

This is to certify that the Management System of:

## Infrabuild Australia Pty Ltd

Building 2 Ingall Street, Newcastle, 2304, Australia

has been approved by LRQA to the following standards:

### ISO 14001:2015

Approval number(s): ISO 14001 – 00022888

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

The production of steel from a scrap base, and the manufacture, warehousing and distribution of steel rod, bar, wire and structural steels. The sale, manufacture, processing and supply of steel reinforcing bar, mesh and wire products including fabricated elements and accessories. Does not cover activities undertaken by Reliability Engineering and Manufacturing Services.
